

Work IN Roads - Civil Construction Pathway

Presented By:

Eric Fisher, Director of Talent Development - Work IN Roads/ICI

Brian Schroll, Civil Construction Teacher - Franklin Central High School

Emily Bay, Marketing and Workforce Development Manager, Rieth-Riley Construction

What is Work IN Roads?

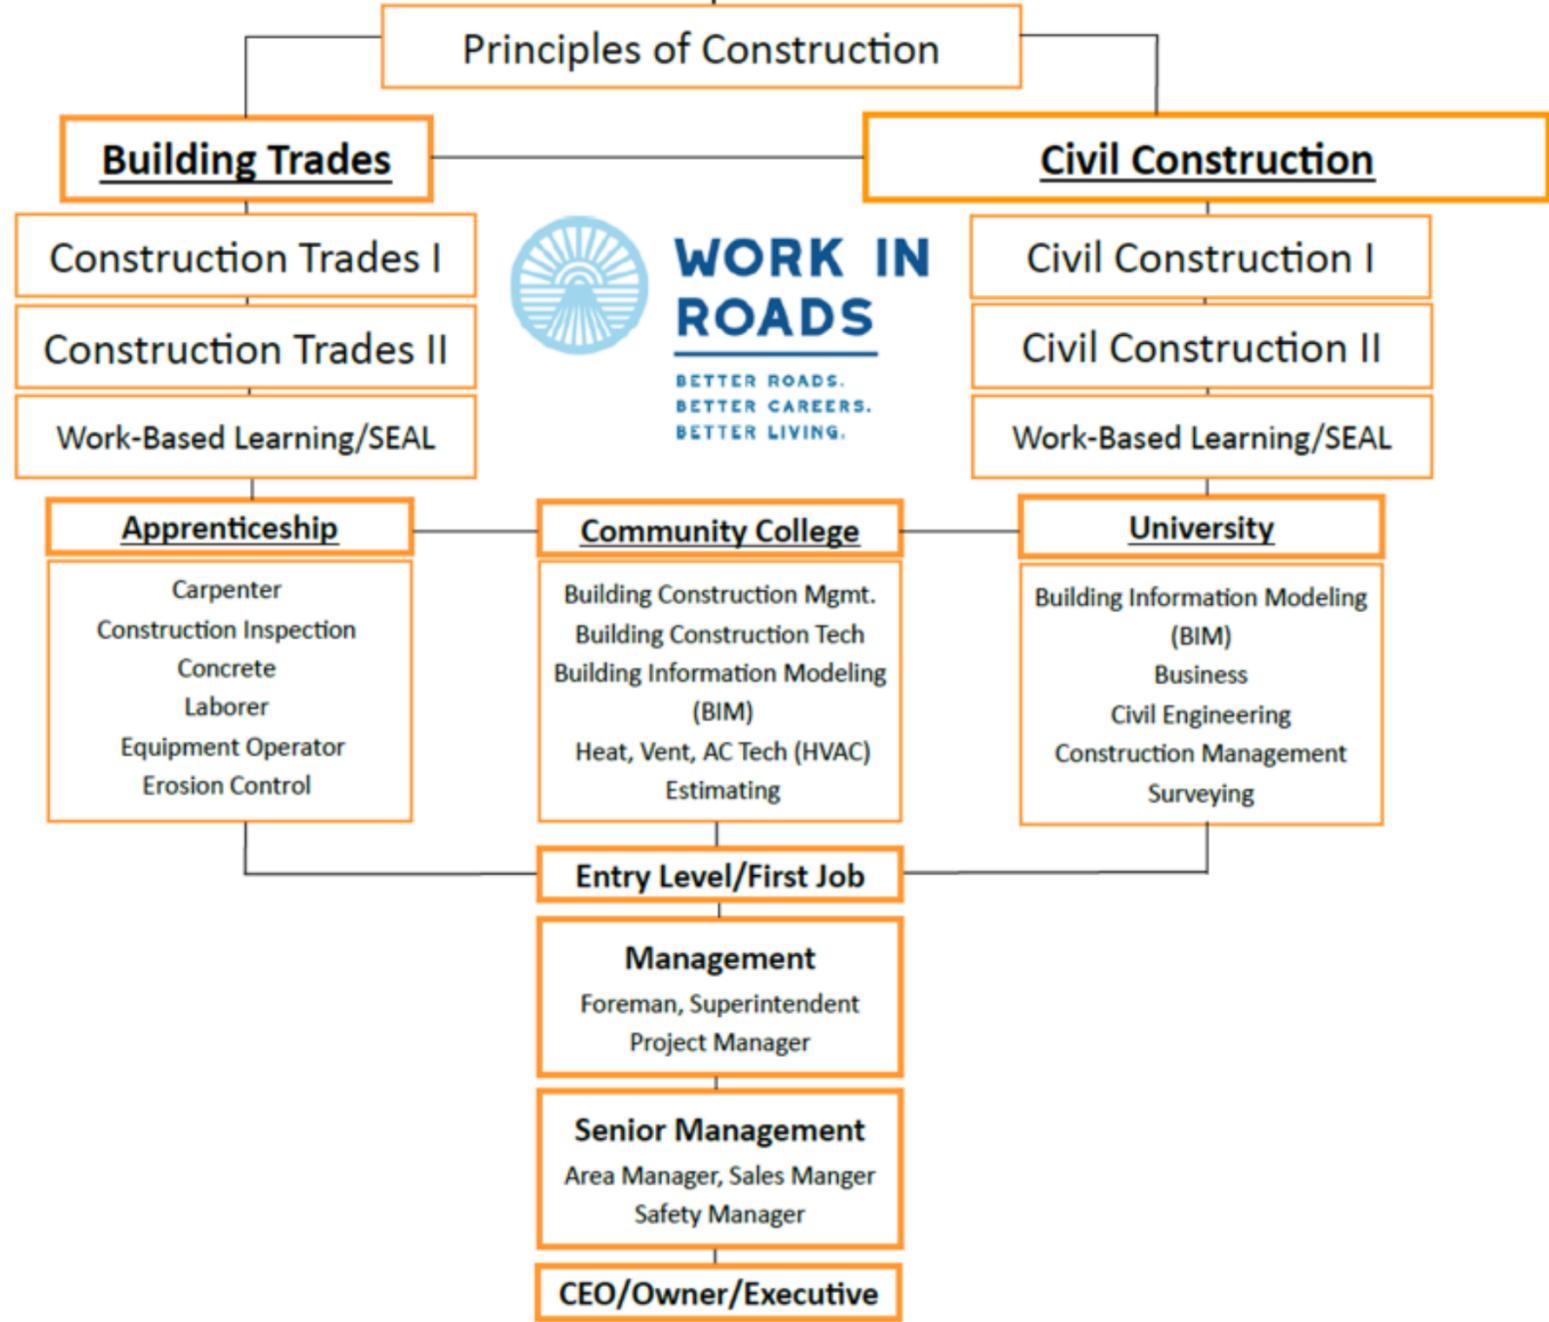

**WORK IN
ROADS**

BETTER ROADS.
BETTER CAREERS.
BETTER LIVING.

Work IN Roads is a team effort between industry partners and associations. Our mission is to show high school students that the civil construction industry isn't just a job, it's a meaningful career pathway. We help students explore the many career paths in civil construction from skilled trade to professional services.

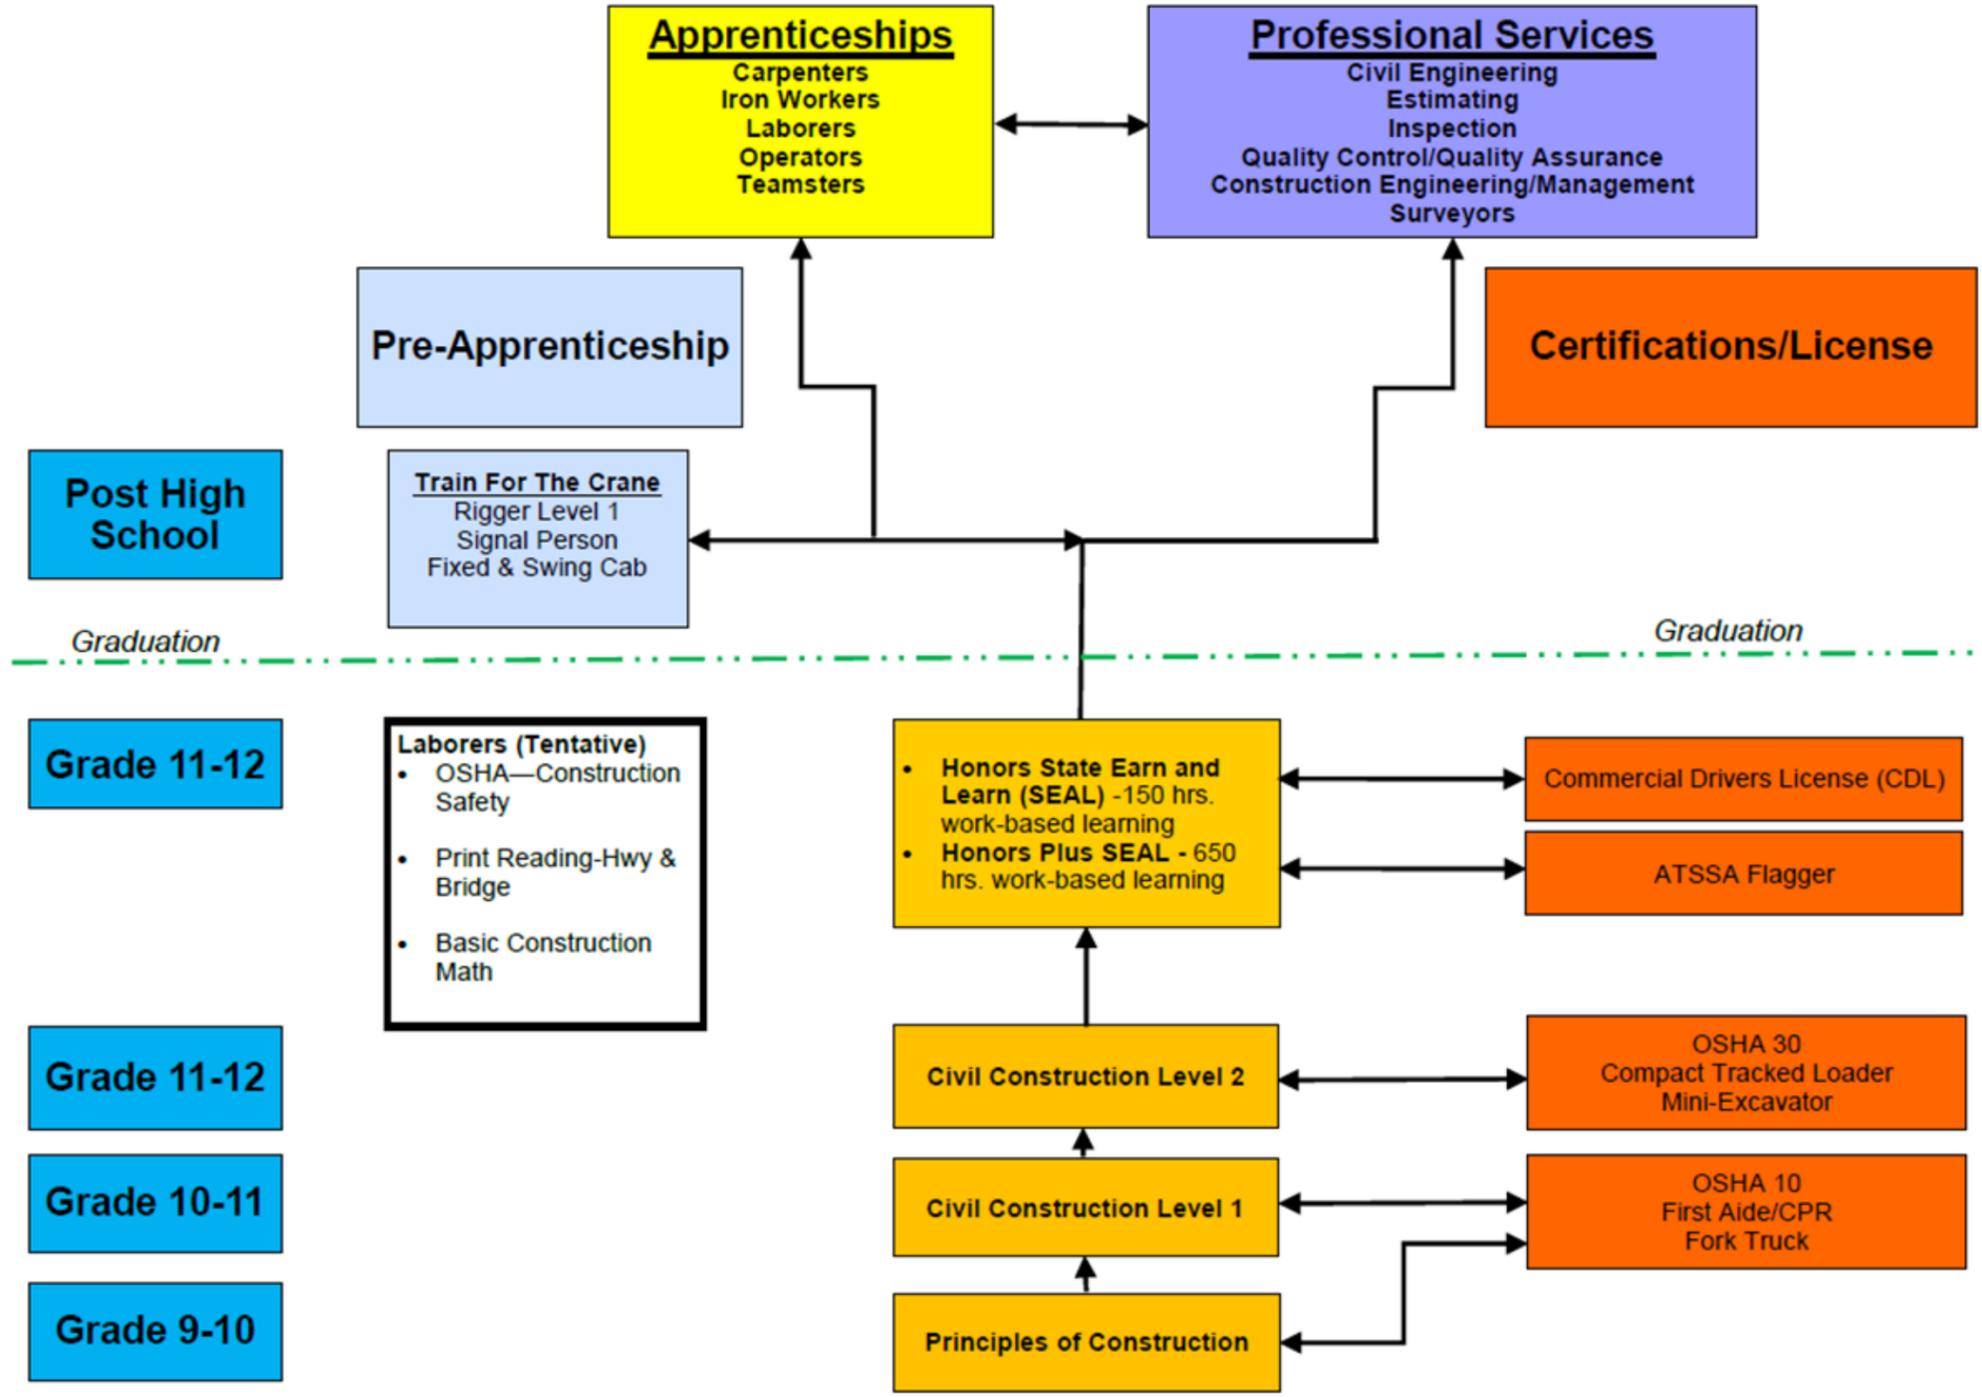

Construction Career Pathways
